This certificate is to declare that **Jay Bharkat Kumar Patel** has been a part of our company for the past 6 Months, working as a trainee.

From: **January 01 2021 to July 01. 2021**

During this time, we found him to be professional, honest, hardworking, and loyal towards his duties and responsibilities. According to the records, He has hands-on experience in building and maintaining reports to help customers gain insights and he is specialized in developing data models and visualizations to communicate complex data insights to non-technical stakeholders, resulting in improved decision-making.

Moreover, Deven has worked as **Backend Developer** completed a couple of projects with client good comments.

The decision to end this job is solely her personal decision And We wish him the very best for his succeeding career.

Regards,

Name: MAHESHKUMAR T. PATEL
